

ADMITTED MPL APPETITE GUIDE

Solutions for Physicians, Surgeons, and Groups

The Doctors Company is driven to help you efficiently deliver the best insurance solutions for your clients. This guide geographically displays our preferred admitted medical professional liability (MPL) risks, so you can easily prioritize your submissions and successfully write more business with us.

*All standard business in Maine and Vermont must be submitted through the Online Premium Indication feature in the Agent/Broker Portal.

†To quickly determine competitiveness in any state, whether blue or yellow, it is recommended that agents and brokers use the Online Premium Indication feature in the Agent/Broker Portal, with the exception of captive and alternative risk-structured programs as there are no state limits for these types of programs.
