THE TRIBUTE PLAN: AN UNRIVALED MEMBER REWARD

We believe doctors deserve more than a little gratitude for a career spent practicing good medicine. That's why we created the Tribute Plan—an unrivaled financial benefit that rewards member loyalty and commitment to superior patient care.

Rewarding doctors for practicing good medicine is just one of the ways we are taking the “mal” out of malpractice insurance.

Tribute Plan projections are not a forecast of future events or a guarantee of future balance amounts. For additional details, see thedoctors.com/tribute.
