WE PAY TRIBUTE.

REWARDS FOR MEMBERS, NOT SHAREHOLDERS

At The Doctors Company, we have always been guided by our mission: to advance, protect, and reward the practice of good medicine. That's why 10 years ago, we created the Tribute Plan—to reward our members for their continued loyalty and for their dedication to superior patient care.

As we celebrate the 10-year anniversary of the Tribute Plan, our commitment to our members is undeniable: we have paid more than \$50 million to retiring doctors to date. Tribute is unmatched in size, scope, and tenure, and we are the only medical malpractice insurer to offer a member loyalty benefit of this magnitude.

As a company founded and led by doctors, we are devoted to supporting the medical profession and partnering with those who provide care. Rewarding doctors for practicing good medicine is just one of the ways we are taking the mal out of malpractice insurance.
