

## Rewards for members, **NOT SHAREHOLDERS**

Unlike commercial insurance companies, which reward shareholders, we are dedicated to rewarding our members. In 2007, we created the Tribute® Plan—an unrivaled financial benefit that rewards doctors for their loyalty and their dedication to superior patient care. Today, Tribute is unmatched in size, scope, and tenure. And we are the only medical malpractice insurer to offer a member loyalty benefit of this magnitude.

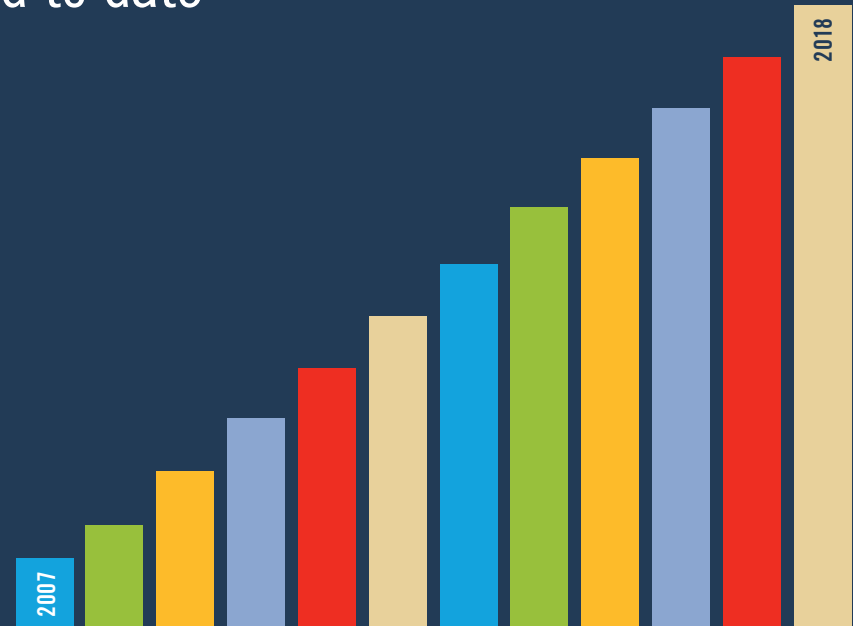

This unique award comes from a well-respected, established carrier with a long track record of strong financial management.

Tribute Plan projections are not a forecast of future events or a guarantee of future balance amounts. For additional details, see [thedoctors.com/tribute](http://thedoctors.com/tribute).
