 THE DOCTORS COMPANY
medical malpractice insurance

RICHARD E. ANDERSON, MD, FACP
Chairman and CEO, The Doctors Company

As the nation's largest physician-owned medical malpractice insurer, The Doctors Company is committed to relentlessly advancing, protecting, and rewarding doctors.

Created in 2007, the Tribute® Plan is an unrivaled member benefit that provides doctors with a significant financial award when they retire from the practice of medicine.

We base our actions on one powerful, fundamental principle: When we all work together to promote the practice of good medicine and improve our profession over time, we all win.

WE PAY TRIBUTE.

WHAT MEMBERS ARE SAYING ABOUT THE TRIBUTE PLAN:

“The Tribute Plan differentiates The Doctors Company in that it represents a commitment of the company to its members, rather than outside shareholders.”

—*California Cardiologist*

“I’m not sure how I’ll use my Tribute Plan when I retire. I may take a trip or pay off some debts. I’ll decide when the time comes, but for now, it’s just fun knowing it’s there and thinking about the possibilities.”

—*Florida Diagnostic Radiologist*
